The Quality Analyst assigned to your laboratory in Fayetteville, Arkansas for general accreditation business may have changed.

Below is the contact information for your Quality Analyst:

Name: John Malusky
Email: jmalusky@amrl.net
Phone: 240-436-4825
Fax: 240-436-4899

A complete list of Quality Analyst State Assignments is available here, or in the Public Library on our website.

You may also find your Quality Analyst listed at the top of your Laboratory Home page.

This change does not affect the Quality Analyst associated with your on-site assessment corrective action reviews.

Please call us at 240-436-4900, or email info@amrl.net, if you have any questions.

Thank you for your continued interest in the AMRL programs.
